Inspiration, meet spark

- Put your best print forward—create borderless, lab-quality photos and laser-sharp documents with ease.
- Create in fewer steps. View photos and print from the 2.65-inch (6.74 cm) color touchscreen and card slots.
- Both sides of savings—save time and paper with automatic two-sided printing.
- Worth more than words. Create photos that launch into fun, shareable videos with HP Live Photo.[6]
- Full of value—print more for less with optional high-capacity cartridges.[4]

Print wherever creativity strikes

- Print wirelessly—from virtually anywhere you roam—from your smartphone, tablet, and Internet-connected PC.[1]
- Always have your printer on hand. Scan directly to your mobile device with HP Printer Control.[5]
- No need to wait—set up quickly out of the box and connect to your wireless network automatically.[3]

Save with this HP Instant Ink-eligible printer[2]

- Print high-quality documents and photos for a few dollars per month.
- Ensure you'll always have ink on hand - your printer orders ink before you run low.[8]

For details see **hp.com/go/printerclaims**. [3]Wireless performance is dependent upon physical environment and distance from the access point. Wireless operations are compatible with 2.4 GHz routers only; excludes wireless direct. Wireless direct may require driver or apps be installed and connected on wireless-enabled mobile device or PC. Wireless functionality may vary by computer and mobile operating systems, see hpconnected.com. HP ePrint requires: account registration, HP ePrint-enabled printer, Internet connection, and a wireless-enabled mobile device or Internet-connected computer with email capability. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. AirPrint supports OS X® Lion, OS X® Mountain Lion and the following devices running iOS 4.2 or later: iPad®, iPhone® (3GS or later), iPod touch® (3rd generation or later) and requires the printer be connected to the same network as your OS X or iOS device. BlackBerry® names and logos are the property of Research In Motion Limited. Android is a trademark of Google Inc. [4]Speed specifications have been updated to reflect current industry testing methods.[5]Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. [6]HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement. [7]Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
